**The Arboga Municipal Authority** offers early out-patient care and support for children and families

## What should you do?

- Talk to the staff at the preschool or contact us directly. (See how to contact us on the back page.)
- We meet together on one or two occasions to hear what support you wish to have.
- If you are still interested in receiving support, we then help you to contact those who assess your entitlement to assistance.

## What can we help you with?

- Routines
- Parental strategies
- Interaction with your child
- Setting limits
- Cooperation between parents
- Private talks with both children and parents
